Dear André Voros,

We are pleased to report that as a result of our recent evaluation, Rainforest Alliance recertified **Flexform Indústria e Comércio de Móveis Ltda.** as compliant with the rules of Forest Stewardship Council (FSC) Chain of Custody certification. FSC is an international independent, non-governmental and non-profit organization, founded to promote the responsible management of forests around the world. The FSC certification provides a reliable link between the responsible production and consumption of forest products, enabling consumers and companies to make decisions that benefit people and the environment, as well as providing ongoing value to business.

**Flexform Indústria e Comércio de Móveis Ltda.** received a specific Chain of Custody registration code number, **RA-COC-006588** and a FSC trademark license code, **FSC-C115918**. The certification is valid from **September 13<sup>th</sup>, 2018 until September 12<sup>th</sup>, 2023**, depending on your company's compliance to the FSC certification requirements and all obligations described in your certification agreement.

Depending on your certificate type and certificate scope and its need, you can receive a limited license to reproduce the Rainforest Alliance Certified™ seal and the applicable Imaflo brand. Access to the FSC trademarks is granted online through the FSC certificate holder / Label generator Website. Access to the Rainforest Alliance Certified™ Labeling Guidelines and the final arts is available at the Rainforest Alliance Trademark Portal. Note that you must use the FSC trademarks or a FSC label every time you use the Rainforest Alliance Certified™ seal. As stipulated in the certification agreement, it is necessary that the Rainforest Alliance approve any proposed use of the FSC trademark, a FSC label, or of the Rainforest Alliance Certified™ seal. It is also necessary that any proposed text relating to the Rainforest Alliance or FSC certification on your promotional material is approved prior to use.

A welcome kit for certificate holders is available online to provide information, guidelines and contacts about the FSC system (<http://welcome.fsc.org>). The certificate holders shall receive an email from FSC when the Certification Authority registers the certificate holder on the FSC website and are encouraged to take advantage of this valuable resource.

Congratulations for your commitment to the responsible forest management.

Kind Regards,
